Eversource is scheduled to begin removing and replacing their communications tower on Nobscot Hill in Framingham. The existing communications tower is used to support energy operations, city facilities, as well as other communications providers. Work is scheduled to begin in early July and is expected to be complete by fall, 2019 (weather permitting). The hours for construction are 7 a.m. – 7 p.m. Monday through Friday.

This tower is located on Nobscot Hill in Framingham, but **crews will be accessing the site via Brimstone Lane in Sudbury**. Abutting property owners in Framingham and Sudbury can expect to see construction vehicles accessing the sites, including heavy equipment, performing site preparation and mowing, receiving deliveries and assembling sections of the new tower, replacing the existing tower with a new steel structure that is approximately 40 feet taller, transferring hardware from the existing to the new structure and testing hardware and disassembling the existing tower.

Eversource is committed to being a good neighbor and doing their work with respect for residents and their property. If you have any questions about this work, please call 800-793-2202 or email Eversource at [ProjectInfo@eversource.com](mailto:ProjectInfo@eversource.com).

## Selectmen's Office

The Board of Selectmen consists of five members - each elected for a three-year term. They serve without compensation. The Selectmen act as the primary policy-making body of the Town. They provide oversight for matters in litigation, act as the licensing authority for a wide variety of licenses, and enact rules and regulations for such matters as traffic control. Further, the Board serves, along with the Town Treasurer, as Trustees of Town Trusts. Staff in the Selectmen's Office accept articles for Town Meeting, prepare Town Meeting Warrants and produce the Town's Annual Report. Staff also serve as liaison between the public and the Board, handle all phone calls, visitors and correspondence directed to the Office and maintain all records of Board of Selectmen's meetings. They also maintain the database of all Boards and Committees appointments and resignations.
